

Dear Mewbourne College of Earth and Energy Alumni and Friends,

The Mewbourne College of Earth and Energy has had a successful year as we continue to progress toward building a solid foundation for the college.

I would like to provide you with the opportunity to support the college to the best of your ability. Your gift to the Mewbourne College of Earth and Energy annual fund allows us to immediately meet our most strategic needs. Annual gifts allow us to solve problems as they arise, and seize unexpected opportunities. It is my hope that the annual fund will provide the catalyst needed to provide the college with critical support and will enhance a myriad of programs and facilities. Gifts through the annual fund will support needs such as student travel, research, programs and events, computing, laboratory needs, tutoring and student organizations.

Thank you for considering how you can give back to the college and to OU so current and future students may have successful and enriching academic lives and life opportunities. Every gift, large or small, is important to our students and it all adds up to success!

To make a donation to our annual fund, please fill out and return the included pledge card.

Sincerely,

**Larry R. Grillot**  
Dean, Mewbourne College of Earth & Energy  
Lester A. Day Family Chair

**MEWBOURNE**
